

# RFP for Hackathon Partner for Fiserv India

## Introduction

Fiserv, Inc. (NASDAQ: FISV) aspires to move money and information in a way that moves the world. As a global leader in payments and financial technology, the company helps clients achieve best-in-class results through a commitment to innovation and excellence in areas including account processing and digital banking solutions; card issuer processing and network services; payments; e-commerce; merchant acquiring and processing; and the Clover® cloud-based point-of-sale and business management platform. Fiserv is a member of the S&P 500® Index, the FORTUNE® 500, and has been recognized as one of FORTUNE World's Most Admired Companies® for 11 of the past 14 years and named among the World's Most Innovative Companies by Fast Company for two consecutive years. Visit [fiserv.com](http://fiserv.com) and follow on social media for more information and the latest company news.

Giving Back to the society where we live, and work is a commitment that we endeavour to exude in as many ways possible. Taking the spirit of volunteering a mile ahead, we are creating a platform for the best minds across our engineering institutes, guided by Fiserv, to put their skills towards elevating Fintech Innovation. We look forward to partnering with an incubator which shall translate this idea into a plan and deliver it across a predetermined segment of Tier I and II engineering institutes, across the country.

## Method

1. Describe your experience and method to conduct Hackathon at India level with academic institutes and startups (attach relevant case studies, preferably from fintech space)
  - a) Give us brief of Academic Institutes & Startups with which you have established connects for participating in Hackathons
  - b) Describe your engagement model including specific asks from Fiserv
  - c) Provide key contact person who will be managing the Hackathon
  - d) What will be the key stages of hackathon?

| Stage | Description | Duration | Input | Output |
|-------|-------------|----------|-------|--------|
|       |             |          |       |        |
|       |             |          |       |        |
|       |             |          |       |        |

\*Above table is for reference, please feel free to modify as needed

## Platform

2. Provide details of the platform to manage the workflow of entire event

- a) Name of the platform? Share a sample site, if possible.
- b) Will the platform be customizable and per Fiserv's branding needs?

## Budgeting

1. Provide your pricing breakdown in the table below including any additional charges, travel costs, and taxes

| Cost Head | Description | Cost per Unit | Total Cost |
|-----------|-------------|---------------|------------|
|           |             |               |            |
|           |             |               |            |
|           |             |               |            |

\*Above table is for reference, please feel free to modify as needed
